MY TAKEAWAYS

Take a few minutes to answer the following questions. Use the back of the page or extra paper if you need. Feel free to sign your name if you want someone to follow up with you, but you are under no obligation to do so. Your answers will help the church as we move forward and will remain confidential.

In the spirit of Christian fellowship, please state your responses honestly, but kindly.

In the last 100 (or 50) Days...

What have you learned about Jesus?

What have you learned about the church?

How well did this process go?

What could have been done better?
